

Riccardo Dentesano

Riccardo Dentesano is Head of Information and Communication Technology (ICT) for Enel North America, responsible for leading technology, cybersecurity, and digital transformation initiatives across the company's businesses in the United States and Canada.

Riccardo joined Enel more than 24 years ago and has held a variety of leadership roles across Information Technology, Operational Technology (OT), cybersecurity, and business operations, both in Europe and North America.

He holds a Bachelor of Science in Business Administration, a Master of Science in Cybersecurity, and an MBA. He is currently pursuing a Master's degree in National Security Studies.

Riccardo lives in New Hampshire with his family and is passionate about technology, innovation, and supporting the energy transition through secure and reliable digital solutions.
